Woodbridge, VA— Belvoir Federal Credit Union recently wheeled out a grand reopening of two student run in-school branches at Godwin and Woodbridge Middle Schools in Prince William County. To celebrate the continuing operation of these two student run branches for the past three years, students were given an opportunity to spin the wheel of fortune and win a prize.

Through it's commitment to teach financial education, Belvoir Federal's school/community partnerships and five student run in-school branches provides area students an opportunity to learn about saving money and sound financial management.

Student volunteers staff The Money Makers Branch (Godwin Middle School) and The Seminole Pride Branch (Woodbridge Middle School) to gain financial and life skills that will serve them well in the future.

Belvoir Federal Credit Union is a full-service, member owned, not-for-profit financial cooperative providing the foundation for the financial success of our Members. For more
