Woodbridge, VA— Belvoir Federal Credit Union and the American Red Cross teamed up to host a Blood Drive on June 6, 2008, at the Credit Union’s Woodbridge Branch. 21 productive pints of blood were collected which have the potential to save 63 hospital patients who rely on this life-saving blood.

“It is only through the supports of groups like Belvoir Federal Credit Union that we are able to continue this life-saving endeavor”, stated Bridgit Phelps, Senior Account Executive, American Red Cross. “Every two seconds, someone in the United States needs blood. Only 5% of the eligible population donates in any given year, so events like the one sponsored by Belvoir Federal Credit Union are critical to ensuring the viability of our blood supply.” For more information on becoming a blood donor, please visit www.givelife.org.

Belvoir Federal Credit Union is a full-service, member owned, not-for-profit financial cooperative focused on providing the foundation for the financial success of its members. For more information about Belvoir Federal Credit Union, please visit our web site at
