Belvoir Federal Gives Back to Families in the Community

Woodbridge, VA, December 13, 2010 — Belvoir Federal Credit Union is sponsoring several families this holiday season with gifts they may not have otherwise received. Each year, the employees of Belvoir Federal generously make donations to help other families in need. This year, Belvoir Federal raised nearly \$1,400.

With the contributions made by the staff at Belvoir Federal, the credit union will be giving back to four families (through Operation Sugar Plum and Ft. Belvoir) and six children (through the USO). Although giving back to the community is a part of the culture at Belvoir Federal, this holiday season earmarks a special occasion as the credit union is able to help multiple families and children with more assistance than ever before.

As a credit union, we are an institution that cares about people helping people. Through these select organizations, Belvoir Federal Credit Union is able to help provide these families and children with a holiday they will never forget.

Operation Sugar Plum is a program on Ft. Belvoir, which has been organized more than 11 years, that supplements holiday gift-giving for families who are impacted by monetary hardships.

USO is a non-profit, non-political organization that provides a tangible way for anyone to say thank you to our troops and their families, as it has for almost 70 years. For more information about the USO or how you can make a contribution to the troops, please visit www.uso.org.

Belvoir Federal Credit Union is a full-service, member owned, not-for-profit financial cooperative providing the foundation for the financial success of our Members. For more information about Belvoir Federal Credit Union, please visit our Web site at www.BelvoirCreditUnion.org
