**FOR IMMEDIATE RELEASE**

## **Belvoir Federal Participates in Military Saves' National Campaign**

**Woodbridge, VA, March, 11, 2010** — Military Saves is a national campaign to persuade, motivate, and encourage military families to meet immediate needs and build-long term wealth through saving and debt reduction. For the past four years, Belvoir Federal has supported the military community to take the saver's pledge and build wealth, not debt.

In 2010, Belvoir Federal assisted the Army Community Service (ACS) with an informational booth at the PX and Commissary located on the Ft. Belvoir military installation in an effort to have members of the Armed Forces community take the pledge to save their money. In addition to supporting ACS with their booth, we offered a 3.00% small saver's certificate during military saves week, February 21<sup>st</sup> through February 28<sup>th</sup> to encourage individuals to make their money work for them. In order to enhance the savings experience, Belvoir Federal's Financial Coach hosted two financial seminars – Score More with Good Credit and Navigating Your Way to Better Money Management.

Belvoir Federal Credit Union is a full-service, member owned, not-for-profit financial cooperative providing the foundation for the financial success of our Members.
